

Manhattan's Inaugural Residency Retreat Weekend

Join us for this unique two-day event that will explore all of the aspects involved in the Match process. Hear dynamic lectures given by today's leaders in medicine and have all of your questions and concerns addressed.

DAY ONE

Diagnostic Testing for Steps 1, 2 & 3:
9:00am - 12:00pm

Begin your day with this exam that will gauge your strengths and show you where you have opportunities for improvement.

Lunch: 12:00pm - 1:00pm

Test Taking Strategies presented by Judy Schwenker:
1:00pm - 2:00pm

Join Kaplan Medical's Director of Study Skills, as she walks you through the in's and out's of the USMLE Exam.

Ace Your Boards presented by Dr. Conrad Fischer:
2:15pm - 3:45pm

Learn the importance of how the proper preparation on each Step will guide you to the residency of your choice. Get insider tips from an expert in the field of Steps 1, 2, & 3, as well as the attaining-residency process.

Board of 99's Panel Discussion moderated by Dr. Brian Bolante:
4:00pm - 5:00pm

Meet our success stories and have all of your questions answered by your fellow colleagues who scored a 99! Find out how they did it!

DAY TWO

Step 2 CS - Live Patient Encounter:
9:30am - 12:30pm

Join Dr. Carlos Hallak, CS Director for NJ Medical Institute, and Maybeth Ryan, a professional standardized patient, as they give you insider tips about the Step 2 CS exam. This is a great opportunity to have your questions and concerns addressed by our CS experts!

Interviewing for Residency:
11:00am - 12:30pm

Learn the practical steps to the pre and post interview process to attain the residency of your choice.

Lunch: 12:30pm - 1:30pm

Surviving Residency presented by Dr. Conrad Fischer:
1:30pm - 2:45pm

Join world-renowned physician, author and teacher, Dr. Conrad Fischer, as he reveals his very own tips and strategies for surviving your residency.

Programs Director/Chief Resident Panel moderated by Judy Schwenker:
3:00pm - 4:30pm

Join area hospital program directors and chief residents as they discuss what they expect in residents in their hospitals and how to succeed and excel in residency.
